

Feel The Rhythm

Dr. Alban

Feel the rhythm in your heart
And put your mind into it
Feel the rhythm and let it blow mind
Feel the groove, it's deep inside
Feel the rhythm 'cause I love you to the bone
'Cause the rhythm's so fine, the rhythm's so fine
Feel the rhythm (rhythm)
Feel the rhythm into your heart

Get up. Feel the rhythm
Feel the rhythm into your heart
Get up. Feel the rhythm
Feel the rhythm into your heart

Rhythm ! Rhythm !

Let's go into this funky beat
This we can rhythm
Feel the rhythm and let it blow mind
Feel the bass and I love you to the bone
When it's playing everybody just dance
'Cause the rhythm so fine, the rhythm so fine
Rhythm. Feel the rhythm (rhythm)
Feel the rhythm into your heart
