

This Time I'm Free

Dr. Alban

Freedom
Free the man
I want to feel so free

This time I'm free
This time I'm free to do what I want
This time I'm free
This time I'm free to do what I want

Free up mother land
We go free Africa
Come follow me
Free up mother land

Free up the hungry youths
In the place Ruwanda
Freedom is a right and it's no privilege
