

Minding The Usher

Dr. Dog

There's the wrong to the right
There's the day to the night
We're turning it off
But it goes on
There you are to the other
There's the sky to the mountain
Be still in the wind
For it goes on
And on
Yeah it goes on and on, and on

I don't wanna make you mad
I don't wanna make you at all
We're minding the usher
Move along
And dirt was the man
And his mouth was the river
For she is the day
As the dawn
On and on, and on
Yeah it goes on and on, and on

On and on, and on
Yeah it goes on and on, and on
