

## These Days

Dr. Dog

I don't wanna waste time  
I don't wanna stay here  
Deciding whether we should stay or leave baby  
Why you wanna go now?  
I don't wanna go now  
Even though our friends are gone  
And the lights are on

You keep saying nobody cares if I'm here except me  
Well baby, that's enough  
I don't wanna let go  
People they get so old  
I hate when people say "those were the days"  
Well what are these then?

I really should have stayed home  
So many people I don't really know anymore  
And I got nothing to say but I don't know  
I just get so bored

Over and over I get impatient and angry  
When I feel like I've gone soft  
It's such a drag, I just get dumber and dumber  
I can't talk, I can't talk.

I don't wanna let go  
Even though my friends are gone and the music's off  
You keep saying nobody cares if I'm here except me  
Well baby that's enough
