

## Do 4 Love

Dr. Dre

Hmm hmm hmm yeah  
You make me do yeah, uh

I never can erase  
The love that you have placed inside  
No girl, I can't deny  
I just never felt that I  
Would ever be the one to find  
A special lady that'll make me do for love

You make me do for love  
What I would not do  
Cause every day my love  
You got me wanting you  
You make me do for love  
What I'd never do  
And what we do for love  
That all depends on you  
Ooh ooh

Oh no man can recognize  
The love that's in the sky  
I just had to let you rain all over me  
Then one day it dawned on me  
I had changed completely  
I don't know just how it happened  
But I love the way you make me do for love

You make me do for love  
What I would not do  
Cause every day my love  
You got me missing you  
You make me do for love  
What I'd never do  
And what we do for love  
That all depends on you  
Ooh ooh

No I never thought I'd find  
What love made of me  
Come on the road with me baby  
I open my eyes, so lovely  
I love the way you make me do for love

You make me do for love  
What I would not do  
Cause every day my love  
You got me thinking of you  
You make me do for love  
What I'd never do  
And what we do for love  
That all depends on you  
Ooh ooh

You got me talking baby  
You got me spending baby  
You got me tripping

You got me hooked on...

You make me do for love  
What I would not do  
Cause every day my love  
You got me missing you  
You make me do for love  
What I'd never do  
And what we do for love  
That all depends on you  
Ooh ooh
