Haven't you ever heard of a killer?
I drop bombs like Hiroshima
So now I walk around strapped
One-time bust they caps and watch niggas collapse
Snap! Adapt to this but you need no adapter
This is just the first chapter
in a book from a crook
You get caught slippin yo' ass gots ta die
Nigga, tell me what the fuck you figure?

POP POP my hollow points smacks the clown
Cuz what I said split his head
And now they got me runnin from the feds
But I refuse to go alive
It's kill or be killed, that's how real niggas survive
