

# Puffin on Blunts and Drankin Tanqueray

Dr. Dre

All ways and forever, forever and all ways  
the rhythm will flow from now and through all days  
as long as the sun shines  
as long as Eisenours on the dime  
yo, I'll be kickin the rhyme  
One time for ya mind, your soul your body  
D-o-g's on the side of me, smooth as E & J  
hard as Bacardi smackin those yaddy-yacks and ducks keep quackin  
hands that are clappin end up cracklin  
under the heat the pressure from the one thats deffer  
Egyptian ruler will call me cleo ro Nefertiti yes indeedi  
got the eyes of the beedie-body from Tahiti  
voice of the will lyrics blow  
chills up ya spine thats illslow  
all thoughts in ya mind drop a yo  
came in the front but you be kicked through the back door  
for tryin to step, tryin to come incorrect  
tryin to play the left, tryin to start a mess  
tryin to cause fuss, tryin to raise a ruckus...Huh  
you'll end up ashes to ashes, dusk to dusk  
a busta you musta been fuckin on drugs  
and alcohol back off, all a yall up against the wall  
spread em, doggs go get em and  
cuff em and stuff em, cold shed em dont let em  
not a word, not another one heard  
if you try you die, visions blurred, speech slurred  
served with a cherry on top  
Rage in effect I just begun to rock  
Yeah rock on witcha bad self R A G E!  
rock on witcha bad self R A G E !  
Rock on witcha bad self R A G E !
