I'm going down
I'm going down down down down
I'm going down baby
Down down down down

I've got my big feets in the window My head is on the ground

Let me crawl across your floor
Let me crawl baby
Let me crawl across your floor

I'm going back to canvey island
That's where I used to live before

I'm going down
I'm going down down down down
I'm going down
Down down down down

I've got my big feets in the window My head is on the ground

Let me crawl across your floor
Let me crawl baby
Let me crawl across your floor

I'm going back to canvey island
That's where I used to live before
