

## Ac-Cent-Tchu-Ate The Positive

Dr. John

Gather around me, everybody gather around me  
While I testify, I feel the summer coming on me  
And the topic will be same, that's what I'm against  
If you wanna hear my story then just chill out  
Don't be uptight while I review the attitude of doing right

You've got to ac-cent-tchu-ate the positive  
Eliminate the negative  
Latch on to the affirmative  
Don't mess with mister in between

You've got to spread joy up to the maximum  
Bring gloom down to that minimum  
Have faith, or pandemonium  
Liable to walk up on the scene

To illustrate my last remark  
Talking about Jonah in the Whale, Noah in the Arc  
What did they do  
When everything looked so dark?  
Then they said

"We better ac-cent-tchu-ate the positive  
Eliminate the negative  
Latch on to the affirmative  
Don't mess with mister in between, no  
Don't mess with mister in between"

To illustrate my last remark  
Talking about Jonah in the Whale, Noah in the arc  
What did they do  
When everything looked so dark?  
Then they said

"We better ac-cent-tchu-ate the positive  
Eliminate all the negative  
Latch on to the affirmative  
Don't mess with mister in between, oh  
Don't mess with mister in between"

Don't you ever mess with mister inbetween  
Don't you mess with mister inbetween  
Don't you mess with mister inbetween
