

## Funny How Time Slips Away

Dr. John

Well, hello there  
My, it's been a long, long time  
I'm doing  
I guess I'm doing fine  
It's been so long now  
Since I saw you it was only yesterday  
Ain't it funny  
How time slipped right away?

How's your new love?  
I hope he's doing fine  
I heard you told him  
That you'd love him 'til the end of time  
Now that's the same thing you told me  
Seems like just the other day  
Ain't it surprising  
How time just slips right on away?

I gotta go now  
Guess I'll see you around  
Don't know when though  
Never know when I'll be back in town  
That's the same thing, that you saw him  
In time, you're gonna pay  
Ain't it surprising  
Time just slips right on away?  
Ain't it surprising  
How time just slips right on away?
