

## Guess Things Happen That Way

Dr. John

You ask me if I'll forget my baby  
Guess I will, someday  
Don't like it but I guess things happen that way

You ask me if I'll get along  
Guess I will, someday  
Don't like it, but I guess things happen that way

God gave me that girl to lean on  
Then he put me on my own

Heaven help me to be a man  
Have the strength to stand alone  
Don't like it, but I guess things happen that way

You ask me if I'll miss her kisses  
Guess I will, every day  
Don't like it, but I guess things happen that way

You ask me if I'll find another  
Don't know, can't say  
Don't like it, but I guess things happen that way

God gave me that girl to lean on  
Put me on my own

Heaven help me to be a man  
Have the strength to stand alone  
Don't like it but I guess things happen that way

God gave me that girl to lean on  
Then he put me on my own

Heaven help me to be a man  
Have the strength to stand alone  
Don't like it, but guess things happen that way  
Don't like it, but I guess things happen that way  
Don't like it, but I guess things happen that way
