

# I'm So Lonesome I Could Cry

Dr. John

Hear that lonesome whippoorwill  
He sounds too blue to fly  
This midnight train is whining low  
I'm so lonesome I could cry

I've never seen a night so long  
When time goes crawling by  
The moon just went behind the clouds  
I'm so lonesome I could cry

Did you ever see a robin weep  
When leaves begin to die?  
Like me, he's lost the will to live  
I'm so lonesome I could die

The silence of a falling star  
Lights up a purple sky  
As I wonder where you are  
I'm so lonesome I could cry  
I'm so lonesome I could cry
