

## Just the Same

Dr. John

Right or wrong  
My love is strong  
Win or lose  
Baby what's the use  
I love you, I love you, baby, just the same  
I love you, yes I will, just the same  
Laugh or cry  
I'd give it a try  
Asleep or awake  
Hey it's just give and take  
You know I love you, I love you just the same, baby  
I love you just the same  
I always knew  
The time might come, baby,  
When you rule me, you turn around and school me  
But just be sure  
As every setting sun  
Baby if you run from love, when your runnin's done  
Right or wrong  
My love is strong  
And win or lose  
Baby what's the use  
I love you, I love you just the same, baby  
I'll love you just the same
