

Sick And Tired

Dr. John

Oh, babe, what you gonna do?
Woah, babe, what you gonna do?
You know I'm sick and tired of foolin' around with you

Get up in the mornin' fix you something to eat
'Fore I go to work I even brush your teeth
Come back in the evening and you're still in the bed
You got a rag tied 'round your head

Woah, baby, what you gonna do?
You know I'm sick and tired of foolin' around with you

This is my last time tellin' you to change your ways
Tellin' you, baby, I mean what I say
Last time telling you to stop that jive
You're gonna find yourself outside

Oh, baby, what you gonna do?
You know I'm sick and tired of foolin' around with you

I'm gettin' sick and tired of the things you do
Good time [?]
[?] around your bed
Wake up one mornin', find your own self dead

Oh, baby, what you gonna do?
You know I'm sick and tired of foolin' around with you
