

# Those Lonely Nights

Dr. John

There's been some lonely lonely nights  
Oh baby yeah, since you've been gone  
Lay my head, on my pillow  
Oh I cried, all night long

The things, you used to say to me  
You said that we, would never part  
Well you know. I love you darling  
Tell me why did we, have to part

Days been dark, since you've been gone  
Baby could you please come back, and bring the light  
If you had only compromised  
And free me from, the lonely nights
