

## Your Average Kind Of Guy

Dr. John

I'm overworked and underpaid  
Under loved and overlaid  
Oh me, oh me, oh my  
I'm your average kind of guy

I hate my job and I hate my wife  
I hate my house and I hate my life  
I love to drink and I love to play  
I love to make love each and every day

Overworked and underpaid  
Under loved and overlaid  
Oh me, oh me, oh my  
I'm your average kind of guy

I love my kids and I hate my bills  
I'm low on luck and I'm high on pills  
I love to rock and I love to roll  
But this world outside is too damn cold

I'm overworked and underpaid  
I'm under loved and overlaid  
Oh me, oh me, oh my  
I'm just your average kind of guy

Hate how soon tomorrow's here  
I turn around and it's next year  
Hate the way they raise the rent  
The landlord and the president

I'm overworked and underpaid  
Under loved and overlaid  
Oh me, oh me, oh my  
I'm just your average kind of guy

I hate the way I stay in debt  
I love the girls that I can't get  
A dollar now ain't worth a dime  
But I'm just scared to plan a crime

I'm overworked and underpaid  
I'm under loved and overlaid  
Oh me, oh me, oh my  
I'm just your average kind of guy
