

# Free To Fly

Dr. Sin

Gotta keep on rocking  
Gotta keep on rolling  
Gotta keep on running  
Gotta keep on moving

Now I'm getting wild  
I'm getting wild  
I'm getting wild

No matter what's going on  
You know I would never give in  
Cause I know what I want  
And I know what I need  
It's the way I've found to be free

Just like fire it is  
burning inside my veins  
It's a hot desire  
And it gets me higher  
I was born to rock and roll

Faster than speed of light  
I am a shooting star  
It's my fate I can't deny  
My soul is free to fly

Gotta keep on rocking  
Gotta keep on rolling  
Gotta keep on running  
Gotta keep on moving

Now I'm getting wild  
I'm getting wild  
I'm getting wild

No one is gonna stop me now  
I'm gonna hit the road  
Cause I know what I want  
And I know what I need  
It's the way I've found to be free

Just like fire it is  
burning inside my veins  
It's a hot desire  
And it gets me higher  
I was born to rock and roll

Faster than speed of light  
I am a shooting star  
It's my fate I can't deny  
My soul is free to fly

Faster than speed of light  
I am a shooting star  
It's my fate I can't deny  
My soul is free to fly

Faster than speed of light  
My soul is free to fly
