So damn pretty
Looks like an angel
The way she moves
Can drive you crazy

Such a sweet voice Such a sweet kiss Hot legs, so sexy with the high heels Those eyes can put on your knees But she made my heart bleed

In her mind nothing but conspiracy Cause she's always living in her own world She's insane jealous of her own shadow I tell you! Enough is enough

Can't take it anymore
I'm deleting you babe!

Yes!Yes!Yes!U r deleted
Deleted from my cell
I'm deleting you
Yes!Yes!Yes!U r deleted
Deleted from my heart
Deleted from my life

Hot legs, so sexy with the high heels Living in her own world $% \left(1\right) =\left(1\right) \left(1\right) +\left(1\right) +\left(1\right) \left(1\right) +\left(1\right)$
