

# Wake Up Call

Dr. Sin

So many things to do  
So many places to go  
So many wonders in this world  
That I might never know  
It feels like a very short time  
To do it all I want  
It feels like it's not enough  
I want it more and more

Follow my heart every single day  
My life is always on the road  
Still have a long way to go  
The fortune leads the way  
Nothing lasts forever  
Is now or maybe never  
Let it rock  
Let it roll

Many things to remember  
So many to forget

I wanna live the best way I can  
Believe me, I want it all  
No time to waste  
Cause nothing else matters  
Nothing is worse than regrets

I live the best way I can  
Cause nothing is worse than regrets

Come on  
Oh yeah

I wanna live the best way I can  
Believe me, I want it all  
No time to waste  
Cause nothing else matters  
Nothing is worse than regrets

I live the best that I can  
Cause nothing is worse than regrets

I will  
Live my life the best way I can  
Live my life the best way I can  
Live my life the best way I can
