

# Brainwash Broadcast

Dragged Under

Live form the eye in sky  
Viewer discretion not advised  
Deception in disguise  
The nightmare is televised

You're so naive, we lie and you believe  
Number one station for misinformation  
Don't look away, see and obey  
Quiet on the set

Tune into the panic on the screen of your maniac machine  
Program and condition, American tradition  
Enjoy the dread with your favorite talking head  
It's time to sit back and relax, for the brainwash broadcast

Start the transmission  
Of hopeless disposition  
Imbalance of power  
Every hour on the hour

Each channel one and the same  
The only change is the name  
Perpetual doom and gloom  
Inside the newsroom  
Poison the minds of the youth  
With our version of the truth  
You won't have a clue when you

Tune into the panic on the screen of your maniac machine  
Program and condition, American tradition  
Enjoy the dread with your favorite talking head  
It's time to sit back and relax, for the brainwash

Deceive me, lies, camera action  
For the brainwash broadcast  
Believing, in this distraction  
For the brainwash broadcast

Sit back, and relax  
For the brainwash broadcast  
Oh, for the brainwash broadcast

Forecast is cloudy, with a chance of almost certain death  
If you're waiting on some good news, don't hold your breath  
Behold the information Cold War  
Activist journalists, don't care about the truth anymore

Tune into the panic on the screen of your maniac machine  
Program and condition, American tradition  
Enjoy the dread with your favorite talking head  
It's time to sit back and relax, for the brainwash

Deceive me, lies, camera action  
For the brainwash broadcast  
Believing, in this distraction  
For the brainwash broadcast

Tune in to the panic on the screen of your maniac machine  
Program and condition, American tradition  
Enjoy the dread with your favorite talking head  
It's time to sit back and relax, for the brainwash broadcast  
The brainwash broadcast, yeah
