

# Konkaroo

Dragon

How can I live in this crazy world  
Without my morning paper  
Hare Krishnas knocking on my door  
But I don't want no savior

I'm standing in fire  
I'm standing in fire  
I'm a konkaroo  
I will conquer you

If love was blind then I walk right in  
Into a one way street  
I see the signs and I turned her up  
There's chains around my feet, yeah

I am standing in fire  
Standing in fire  
I'm a konkaroo  
I will conquer you

Burn it up, burn it up, oh yeah  
Burn it up, burn it up, oh yeah

How can I live in this crazy world  
But I can even [?]  
People tell me that I'm so confused  
Cause I don't try to make it

I'm standing in fire  
I'm standing in fire  
I'm konkaroo  
I'm konkaroo

I'm standing in fire  
I'm standing in fire  
I'm konkaroo  
I'm konkaroo

Burn it up, burn it up, oh yeah  
Burn it up, burn it up, oh yeah  
...
