

## Reach the Top

Dragon

I, I have a message  
Young men of ambition and pretention, watch out where you step

'Cause when you reach the top  
You don't know what you got  
And when you touch the ground  
It makes an awful sound

Oh oh I, I don't want to know  
I, I don't want to know

Try your hardest, it won't work at all, oh no  
You know there's a time for tryin' and teachin'  
And reachin' is taking you to a fall

And when you reach the top  
You don't know what you got  
And when you touch the ground  
It makes an awful sound

Oh oh I, I don't want to know  
I, I don't want to know

What can I say  
How can I express (yeah)  
To clear how cool coldest  
Of emptiness  
And when you reach the top  
(When you reach the top)  
And when you reach the top  
(When you reach the top)  
You don't know what you got  
You don't know what you got  
And when you touch the ground  
It makes an awful sound

Oh oh I, I don't want to know  
I, I don't want to know  
I, I don't want to know  
I, I don't want to know

End of message
