Dragonette

In the line  
For the girls bathroom  
I almost said  
I've always had a thing for you  
But I think I like that  
You'll never know and  
I'll just keep doing the things I do  
In my dreams to you  
What you'd say if you only knew  
What I do to you  
In my dreams

In my da-da-da-da-da dreams  
You've got  
Dirty jeans and  
Cream coloured sneakers  
And my hand slips under your t-shirt  
In my da-da-da-da-da dreams  
In my dreams

In the line  
For the girls bathroom  
I almost told you 'bout  
The last dream that I had of you  
And I know that its wrong  
So I bite on my tongue  
And I just keep doing  
All the things I do  
In my dreams  
To you  
In my dreams  
Oh what I do  
What I do to you  
In my dreams

In my da-da-da-da-da  
Da-da-da-da-da-da...

In my da-da-da-da-da dreams  
You've got  
Dirty jeans and  
Cream coloured sneakers  
And my hand slips under your t-shirt  
In my da-da-da-da-da dreams  
In my dreams

You got  
Cream coloured sneakers  
And my hand slips under your t-shirt  
In my da-da-da-da-da dreams  
In my dreams  
Da-da-da-da-da  
Da-da-da-da-da ...
