

Can't Be Bothered

DRAIN

I can't, I can't be bothered today
The sun's out, and it's time to go play
I gotta go, I gotta go to West Cliff
From Natural Bridges down to the Crow's Nest

I need to feel the sunlight on my skin
I need to know today will never end

Take a look outside and tell me what you see
It's too nice, I won't do anything

Race towards the sun and leave the world behind
And we'll be just fine
I'll call you back when it's dark outside
I gotta go, I gotta catch the sunset
I gotta go
It's always high tide when I wanna go to West

I need to feel the sunlight on my skin
I need to know today will never end

Take a look outside and tell me what you see
It's too nice, I won't do anything
Take a look outside and tell me what you see
It's too nice, I won't do anything
