

# Hyper Vigilance

DRAIN

Hyper Vigilance  
To this unforgiving world

I'm looking over my shoulder  
I try to stay away  
I can't let my guard down  
I won't be disrespected today

I see fragments of my past  
In every broken soul that passes me  
Clueless to the fact that I'm the one they should be scared to  
see

I'm begging for a reason  
I want to justify  
The evil things I see  
When I close my eyes

No stopping  
No pity  
I want to harvest pain  
I want you to feel the consequence  
I want you to feel the pain
