

# Living Proof

DRAIN

Take all the hate and all the pain  
And throw it back into their faces  
I know they hate to see us win  
And I love to bring them down

And when I'm gone, I hope you know  
That I do it all for you  
So if you need a little help  
Here and now, this is living proof

This living proof separates weak from true  
Who are you?

These are the words I wish I had  
When I needed them the most  
'Cause everybody hangs around when you're on top  
But until then, you're alone

I'm living just to prove you wrong  
And I'm here just to bring you hope  
I'll be the devil on your shoulder  
Pushing you to break those rules

We're living just to prove you wrong  
We're here just to bring you hope  
I'll be the angel on your shoulder  
Telling you to keep holding on and on

Living proof
