

Watch You Burn

DRAIN

Your first mistake
Was thinking I wouldn't step up
I'd kill myself for the people I love

Can't keep me down, won't bite my tongue
You ain't scaring no one

I don't think
I'm better than you, motherfucker
I know I am
Bite the barrel and kill yourself

You think I'd try and hide? Think I'd try to run?
You ain't scaring no one

I don't let anyone get close enough
To stop the fire that's inside my heart

It's people like you who push people like me
To the tipping point, I don't wanna be the bigger man anymore
I just wanna watch you fucking burn

Can't keep me down, I won't bite my tongue
You ain't scaring no one

I don't let anyone get close enough
To stop the fire that's inside my heart

Hands form the noose wrapped around your neck
Squeezing tight 'til your eyes are lifeless

Watch you burn
Watch you burn
Watch you burn
