

Who's Having Fun?

DRAIN

Sometimes I feel like I'm the only one
Sometimes I feel like I'm the only one
Sometimes I feel like I'm the only one who's having fun
Sometimes I feel like I'm the only one
Sometimes I feel like I'm the only one
Sometimes I feel like I just want to run away from everyone

Don't feel the way I do
Don't think the way I do
Don't look the way I do
Don't want to be like you

Sometimes I feel like I'm the only one
Sometimes I feel like I'm the only one
Sometimes I feel like all that rock and roll they play don't go
t a soul

Don't feel the way I do
Don't think the way I do
Don't look the way I do
Don't want to be like you

Don't like you guys
Don't need your lies
Don't want your friendship
It's no surprise that I don't care who you think you're down wi
th
You sold your soul for a suit
You think it looks so cool, but it looks like shit on you
I see right through
That's why we laugh at you

That's why we laugh at you
That's why we laugh at you
That's why we laugh at you
That's why we laugh at you
