

# Back Of My Hand

Drake Bell

You only call me if you're feeling blue  
You tell me I don't pay attention to you  
But if you only knew, just what I'm going through  
You wouldn't phone those guys who mess around with you, girl

When I call I get a stack of lies  
You whip 'em out before you dry your eyes  
I'm not a fruit machine, a 1960s' dream  
And in the 'bet you' list I bet you never seen her

You're not unreadable, you're not unbeatable  
I know just what you are, don't push your luck too far  
You're not untouchable, not just another girl  
I'd get in touch with you, I only wish I knew that

I've got your number written on the back of my hand  
I've got your number written on the back of my hand  
I've got your number written on the back of my hand  
I've got your number

I had a dream, I met another girl  
But in the morning, she was just a kick inside  
I hope I'm getting through the interference too  
My money's running out, I don't know what to say now

The operator's saying, 'Cut the line'  
You want to call her for the very last time  
You're only young at heart, but there's a time to start  
Just realizing what I've got down here girl

You're not unreadable, you're not unbeatable  
I know just what you are, don't push your luck too far  
You're not untouchable, not just another girl  
I'd get in touch with you, I only wish I knew that

I've got your number written on the back of my hand  
I've got your number written on the back of my hand  
I've got your number written on the back of my hand  
I've got your number

Say don't you realize  
Is there nothing left inside?  
Hey did I get you wrong?  
Say where's your number gone?

You only call me if you're feeling blue  
You tell me I don't pay attention to you  
But if you only knew, just what I'm going through  
You wouldn't phone those guys who mess around with you, girl

You're not unreadable, you're not unbeatable  
I know just what you are, don't push your luck too far  
You're not untouchable, not just another girl  
I'd get in touch with you, I only wish I knew that

I've got your number written on the back of my hand  
I've got your number written on the back of my hand

I've got your number written on the back of my hand  
I've got your number
