

Every Day Is Christmas With You

Drake Bell

I don't need presents
I don't need the snow
I don't need colored lights
Or mistletoe
I just need you here
In my arms

I don't need snowflakes
Or Christmas trees
I don't need reindeer
Or the winter breeze
I just need you here
To hold me close

'Cause every day
Is Christmas with you
In every way
I swear it is true
Come closer now
I'll show you how
We celebrate tonight
'Cause every day is Christmas
With you by my side

I don't need candy
Not one single bite
I don't need candles
'Cause you're my Christmas light
I just need you to be here
In my arms

'Cause every day
Is Christmas with you
In every way
I swear it is true
So take my hand
Give me this dance
We'll do what we do
'Cause every day is Christmas
With you

'Cause every day
Is Christmas with you
In every way
I swear it is true

Every day
Is Christmas with you
In every way
I swear it is true

Every day
Is Christmas with you
In every way
I swear it is true
So take my hand
Give me this dance

We'll do what we do
'Cause every day is Christmas
With you

'Cause every day
Is Christmas with you

'Cause every day
Is Christmas with you
