

# Fall Asleep Again

Drake Bell

I had a dream  
We were living in a house full of laughter  
On some quiet street  
I'd come home to you each night  
And after the kids fell asleep  
I would hold you in my arms and feel your heartbeat  
Faster and faster  
So sweet, as we write another chapter  
And we would dance to the records from the past  
And as it seemed  
Our love would always last

But when I woke up from my slumber you were gone  
And all my shades were drawn  
I'm hiding from the dawn  
From the dawn

God, can I please fall asleep again?  
And stay in my dream  
'Cause that should never end  
I had this dream of you and me  
Everything seemed just fine  
But I awoke to realize  
You will never be mine

Hard to believe  
The love we had became a disaster  
How could it be?  
We just let it go and watched it shatter  
I'd give anything  
Just to hold you in my arms and feel your heartbeat  
Faster and faster  
God please, let us write another chapter

But when I woke up from my slumber you were gone  
And all my shades were drawn  
I'm hiding from the dawn  
From the dawn

God, can I please fall asleep again?  
And stay in my dream  
'Cause this should never end  
I had this dream of you and me  
Everything seemed just fine  
But I awoke to realize  
You will never be mine  
(She will never be, she will never be mine)

I've never been so lonely  
Don't wake me up again  
Just wanna sleep  
Don't wanna see the sun until she's mine again

But when I woke up from my slumber you were gone  
And all my shades were drawn  
I'm hiding from the dawn  
From the dawn

God, can I please fall asleep again?  
And stay in my dream  
'Cause this should never end  
I had this dream of you and me  
Everything seemed just fine  
But I awoke to realize  
You will never be mine

God, can I please fall asleep again?  
And stay in my dreams

Never be mine  
She will never be...
