

# I Won't Stand In Your Way

Drake Bell

I, I've got a low down dirty feeling  
That I've been cheated on and lied to  
If it's so then it's wrong, we've hung on for so long  
Why don't we have that magic anymore

I got a strange sneaking suspicion  
That it's been going on for sometime now  
Something shines in your eyes, something stirs deep inside  
I won't stand in your way anymore

You said that I'm just a little boy  
Who's easily led astray  
Well aren't you that same little girl  
Who always gets her way

I've got a strange sneaking suspicion  
That it's been going on for sometime now  
Something shines in your eyes, something stirs deep inside  
I won't stand in your way anymore

You said that I'm just a little boy  
Who's easily led astray  
Well aren't you that same little girl  
Who always gets her way

I, I've got a low down dirty feeling  
That I've been cheated on and lied to

If it's so then it's wrong  
We've hung on for so long  
I won't stand in your way  
I won't stand in your way  
I won't stand in your way  
Anymore
