

## Rewind

Drake Bell

You keep checking your clock, keep checking your phone  
Constantly worry when there's nothing wrong  
He can't answer every time that you call  
Making something so big out of someone so small

You mess around with my head, leave me waiting  
On someone who's waiting for someone who's playing

We can't rewind, so don't waste your time  
And we'll find that we're intertwined  
Don't drown in your heart and I'll play my part  
'Cause tonight we can't rewind, we can't rewind

You know I've been feeling you for a minute  
You're so in need of love, and I'm ready to give it  
Oh, make off to too much lost time, we'll give up if I can't make you mine  
You need your attention but that's just a given

You mess around with my head, leave me waiting  
On someone who's waiting for someone who's playing

We can't rewind, so don't waste your time  
And we'll find that we're intertwined  
Don't drown in your heart and I'll play my part  
'Cause tonight we can't rewind

Don't drown in your heart and I'll play my part  
'Cause tonight we can't rewind

We can't rewind, so don't waste your time  
And we'll find that we're intertwined  
Don't drown in your heart and I'll play my part  
'Cause tonight we can't rewind...
