

# Happy Place

Drake White

Some people need a mountain top chalet  
Some folks like a breeze by the beach  
I've learned that it don't matter where I go  
I'm in heaven as long as you're with me

You're my happy place  
You're my saving grace  
You're like church on Sunday mornin'  
You're like lighting without warnin'  
You're shelter when it's rainin'  
Gives me buzz time like I'm drinkin'  
While this whole world  
Keeps on spinning out of control, babe  
You're my happy place  
When I feel your hand in mine  
I swear it heals me everytime  
You're right where I wanna stay  
You're my happy place  
Happy place, happy place

If you wanna take a ride down a dirt road  
Or have a candlelit dinner in the city lights  
If you feel like taking a rocket to the moon  
Wherever you go, I'll go  
Beside you cause I know

You're my happy place  
You're my saving grace  
You're like church on Sunday mornin'  
You're like lighting without warnin'  
My shelter when it's rainin'  
Gives me buzz time like I'm drinkin'  
While this whole world  
Keeps on spinning out of control, babe  
You're my happy place  
When I feel your hand in mine  
I swear it heals me everytime  
You're right where I wanna stay  
You're my happy place  
Happy place, happy place

You're my happy place  
Baby you're my saving grace  
You're like church on Sunday mornin'  
You're like lighting without warnin'  
You're shelter when it's rainin'  
Gives me buzz time like I'm drinkin'  
While this whole world  
Keeps on spinning out of control, babe  
You're my happy place  
When I feel your hand in mine  
I swear it heals me everytime  
You're right where I wanna stay  
You're my happy place  
Happy place, happy place

Oh you're my happy place, yeah

Happy place

When I feel your hand in mine  
I swear it heals me everytime  
You're right where I wanna stay  
You're my happy place  
Happy place, happy place
