

Calling My Name

Drake

Ayy

Ayy

Mmm, what do I want?

Why is it so hard giving you up?

I'm countin' the days 'til you come

I'm countin' the ways to make you

Mmm, what do I want?

Why is it so hard giving you up?

I'm countin' the days 'til you come

I'm countin' the ways to make you

You're my water, my refresher

Take off your clothes, relieve pressure

I need your touch when I'm with her

My heart, it beats different rhythm

Killa cop, blood

Killa cop, blood

Killa cop, blood

Killa cop, blood

Your pussy is calling my name

So come on, baby, let's stop playing games

Your pussy is calling my name

So come on, baby, let's stop playing games

Your pussy is calling my name

So come on, baby, let's stop playing games

Your pussy is calling my name

So come on, baby, let's stop playing games, games
