

## Currents

Drake

Don't think twice  
We're still in formation  
Testing the current  
Already I'm sailing, it's all so sudden  
Catching a flight  
You think we're moving too fast, I'm  
Intoxicated  
We can move in slow motion if that's what you want, babe

I don't want to come on too strong  
But I'm moving to your room now

With every move, with every move you make, babe  
I'm tumbling

In your own time  
Would you show me something please, babe?  
Don't wanna wait in vain  
You're the missing piece I, I been longing for  
Don't deny, oh no  
The temperature's rising inside  
The cracks'll show you  
Show me all your colors, I may not deserve you

I don't want to come on too strong  
But I'm moving to your room now

With every move, with every move you make, babe  
I'm tumbling
