I've been alone in my thoughts
Can't feel this void between us
I cannot stand losin' you, woah, woah
All these feelings intertwine, oh
Fightin' the urge to reach out
And my stance remains unchanged, baby
I can't help it, I'm so into you

Oh, when you're ready
We can put this behind us
Baby, we could find us again, I know
Put this behind us
We can find us again
'Cause I don't wanna go
I was alone, I was alone in this world
And I needed people
I know my funeral gon' be lit 'cause of how I treated people
I don't wanna go, I don't wanna-

Swervin' between emotions
I know we got real issues
Can't give in so easily, woah, woah
Woah, woah, woah, woah
Ain't going out with no fight, no
I'm just tryna play my part, yeah
I'm not ready to let go, woah, woah

Oh, when you're ready
We can put this behind us
Baby, we could find us again, I know
Put this behind us
We can find us again
'Cause I don't wanna go
I was alone, I was alone in this world
And I needed people
I know my funeral gon' be lit 'cause of how I treated people
I don't wanna go, I don't wanna-
