

# Shot for Me

Drake

[Verse 1]

I can see it in your eyes: you're angry  
Regret got shit on what you're feeling now  
Mad cause he ain't like me  
Oh you mad cause nobody ever did it like me  
All the care I would take,  
All the love that we made  
Now you're trying to find somebody to replace what I gave to you  
It's a shame you didn't keep it: Alicia, Katia  
I know that you gon' hear this: I'm the man  
Yeah I said it!  
Bitch I'm the man  
Don't you forget it  
The way you walk - that's me  
The way you talk - that's me  
The way you've got your hair up: did you forget that's me?  
And the voice in your speaker right now - that's me (that's me)  
And the voice in your ear - that's me  
Can't you see that I made it? Yeah I made it  
First I made you who you are, then I made it  
And you're wasted with your ladies  
Yeah I'm the reason why you always getting faded

[Hook:]

Take a shot for me, oh oh oh oh  
Take a shot for me, oh oh oh oh  
Take a shot for me  
A shot for me oooooo  
A shot for me oooo

[Verse 2]

OK look: I'm honest  
Girl I can't lie: I miss you  
You and the music were the only things that I commit to  
I never cheated, for the record, back when I was with you  
But you believed in everything but me girl, I don't get you  
She says I know you changed, I never see you  
Cause you're always busy doing things  
I really wish she had a different way of viewing things  
I think the city that we're from just kinda ruined things  
It's such a small place: not much to do but talk and listen  
The men are jealous and the women all in competition  
And now your friends telling you stories that you often misinterpret  
And taint all the images of your "Mr. Perfect"  
I could tell that you been crying all night, drinking all summer  
Praying for your happiness, hope that you recover, uh  
This is one I know you hated when you heard it  
And it's worse because you know that I deserve it..

[Hook]

May your neighbours respect you  
Trouble neglect you,  
Angels protect you  
And heaven accept you..
