

These Days

Drake

I've been out walking
I don't do too much talking these days
These days
These days I seem to think a lot
About the things, I forgot to do

These days

I've met some women
I wish I had resisted these days
These days
These days I seem to think
About how I have failed
To change all of my ways

These days

Yeah, I had a lover
Don't think I'd risk another
These days
These days
And if I seem to be afraid
Just listen to the life I've made in songs

These days

I've stopped the dreaming
I don't do too much scheming
These days
These days
I sit inside chauffeur car
With windows down and count the stars
These days
These days
