

## Ask For Permission

Drakeo The Ruler

On the dance floor I get Jiggy tricky dance move Phineas n Ferb  
in the back checking for tattoos  
Opps get disrespected or smoked like a pack coo or maybe Newport  
t's I guess I can say that too  
You see his face he did the race he left out like a racoon diff  
erent sticks he did flips when I hit em with this bamboo  
Semi shells to his face like vacations in Cancun tough guy ever  
y rapper you fucked with I slapped on em  
Fat chromie back slapped on em and double backed on em  
Those once in a life million dollar deals I passed on em

That is not you, you had to ask for permission  
How havin it look like a meth where you living?  
I came for bucks and the bags n prescriptions  
You just mad that we cause passed on you niggas  
That is not you, you had to ask for permission  
How havin it look like a meth where you living?  
I came for bucks and the bags n prescriptions  
You just mad that we cause passed on you niggas, shit nigga  
That is not you, you had to ask for permission

Store runner you the last with some sayso  
I'm a russian rapper you just act like your drakeo  
Let the k spark lisa leslie play callin, niggas play ballin [?]  
I looked at my wrist and instantly turned to ray charles  
Buy a pint everyday I got [?]  
The choppa singing like trey songs, he mean muggin blow his fac  
e off  
The major leagues bitch play ball, but imma cruve you stay long

Haha nigga, You just mad that we cause passed on you niggas  
How havin it look like a meth where you living  
That is not you, you had to ask for permission  
How havin it look like a meth where you living  
You actin hard I done slapped on you niggas
