I know I'm a lean junkie but stop tellin' all my business

So you ain't gon' stop until you layin' up in prison

It's official, niggas try me, I'ma kill 'em, oh

I'm climbin' through windows and abusing all these sodas

Mister fuckin' Mosely, watch when you approachin'

Niggas talkin' like I ain't got dracos stashed up in the sofa

Ugh, I know I'm crazy

I know I'm a mainy, this lean got me lazy

Fresh up out of jail when I got hit with the latest

Don't run up on Drakeo 'cause he ain't favorite, ugh

Bedrolls or bankrolls, which one you want?

I guess I like bankrolls, I said that from the jump

I like F&N's and dracos, this ain't what you want

I could've been snitch but that's for punks, oh

My mouthpiece frozen, I'm solid, won't say nothin'

Eight hundred floor, supermax was no fussin'

Under the stairs, had to show 'em the repercussion

For fuckin' with Greedy niggas, had to give him the thunder
