Snakes callin' up my phone
All I know is gettin' dough
Niggas faces always low
Tryna play me out my dough
Bitches love a nigga dough
But they won't touch a penny though
Long as you got ten toes
Tell all these bitches get dough
Can't do nothin' when you're broke
Kill a nigga for my dough
Mr. Mosely so cold
Am I supposed to give a fuck?
All I think it is getting dough
All I think is gettin' more
Spend all my weekends getti' dough
Why you think I'm gettin' poured?
