

## Same Order

Drakeo The Ruler

(DrUpNext)

(Hello, Compact, is that you?)

Put them lil'-ass chains up, boy, they ain't dancin'  
I'll make a bitch baby daddy hate rappers  
Nigga probably would've lived if he ain't bang on me  
Or maybe if a nigga had a brain on me (Ron-Ron do that shit)  
Ayy, bro, there go this nigga bitch, let's make it rain on her  
You think beatin' all them charges done put some change in me?  
Two Lambos, one Rolls, in that same order  
He can't even pay his note, but his chains water  
If you ask me, that sound kinda rainbow-ish  
He can't even pay his note, but his chains water?  
If you ask me, that sound kinda rainbow-ish  
I'm finna show these niggas how to get exclusive  
I'm finna show these niggas how to make a movie  
I'm finna go across his head 'cause Drake get stupid  
I'm finna have a nigga singin' hallelujah  
I'm finna have these hoes doin' it for Boosie, ugh

Give me money, give me head in that same order  
I need her, I need her friend in that same order  
One Lambo, one Bent' in that same order  
Then we gon' do it all again in that same order  
Give me money, give me head in that same order  
I need her, I need her friend in that same order  
One Lambo, one Bent' in that same order  
Then we gon' do it all again in that same order  
Shit, nigga  
Give me money, give me head in that same order  
I need her, I need her friend in that same order  
Give me money, give me head in that same order (What?)  
I need her, I need her friend in that same order (Yeah, God)

I just showed these niggas how to get exclusive (Get exclusive)  
Finna blow a pussy nigga like a loose, huh (Swear to God)  
Everything sit on Forgis, never Ruccis (Huh)  
Hundred round clip, we pull up and make a movie (Bah, bah)  
You keep cryin' to that bitch 'cause your heart broken (Heart broken)  
Went and iced my whole chest like my heart broken (Iced my chest)  
Got a drum on an AR, leave your car open (What?)  
Patek glowin', light this bitch up like the bar closin' (Nigga)  
Me and Drakey back to back in them new Wraiths (Came)  
Street nigga, stayed the same, but got new pape' (New paper)  
I done popped too many Xans, I got mood swings  
Million-dollar nigga, fuck around, get your boo taken (Get your ho snatched)  
Niggas fakin' on the 'Gram, they wanna play gangster (Niggas fake thuggin')  
We ain't sayin', "Be safe," we say, "Stay dangerous" (Swear to God, nigga)  
In my shows ten deep with like eight bangers  
I'll beat the beat up just like Tank Davis

Give me money, give me head in that same order (Drank God)  
I need her, I need her friend in that same order  
One Lambo, one Bent' in that same order  
Then we gon' do it all again in that same order  
Give me money, give me head in that same order  
I need her, I need her friend in that same order

One Lambo, one Bent' in that same order  
Then we gon' do it all again in that same order  
Shit, nigga  
Give me money, give me head in that same order  
I need her, I need her friend in that same order  
Give me money, give me head in that same order  
I need her, I need her friend in that same order
