

Back & Forth

DRAM

Back and forth
Back and forth, and back and forth

Back and forth, and back and forth
Back and forth, and back and forth
Back and forth, and back and forth
Back and forth, and back and forth
Back and forth, and back and forth
Back and forth, and back and forth
Back and forth, and back and forth
Back and forth, and back and forth (Oh)

I'm not a fan of arguments
But we fuck so much, you think I am
And to make matters worse, you say I won't love you better
When I'm lovin' you the best that I can
Oh, I know you get emotional
But you use it for the upper hand
And to make matters worse, you say I can't be in love
And I pinky swear to God that I am

Girl, I don't wanna burn
This bridge that's built on our love
And if you can't come to me
When you're in need, then why are we ours?

It's like we fussin' for the sake of the fuss
We do it way too much

Back and forth, and back and forth
Back and forth, and back and forth
Back and forth, and back and forth
Back and forth, and back and forth
Back and forth, and back and forth (Why we goin' nowhere)
Back and forth, and back and forth (I can't take you nowhere)
Back and forth, and back and forth (With you actin' like that)
Back and forth, and back and forth

And you say you don't care
But I know that you care
Oh

We really just needed to smoke
'Cause you know I love you
I love you
