

Beautiful

DRAM

Beautiful as stars when they're lit by the moon
I said beautiful a lady as you
Beautiful as flowers when they first start to bloom
I said beautiful a lady as you

Beautiful a lady, beautiful a lady
I said beautiful a lady as you
Beautiful a lady, beautiful a lady
I said beautiful a lady as you

Beautiful as stars when they're lit by the moon
I said beautiful a lady as you
Beautiful as baby when it's fresh from a womb
I said beautiful a lady as you

Beautiful a lady, beautiful a lady
I said beautiful a lady as you
Beautiful a lady, beautiful a lady
I said beautiful a lady as you

Since I had introduced myself to you
You'd like to want to take my breath away
Unbothered by the pains of growing into what we've become
I've seen so many girls, I lost the count
You seem to be the one exception, how
Unsure I am on how you hooked me
But your more good looking than the morning sun

I just wanted to be around you for like a long time, like
I didn't, I didn't know, I mean forever sounds so cliché
But, damn, I ain't trying to go nowhere

Beautiful as stars when they're lit by the moon
I said beautiful a lady as you
Beautiful as flowers when they first start to bloom
I said beautiful a lady as you

Beautiful a lady, beautiful a lady
I said beautiful a lady as you
Beautiful a lady, beautiful a lady
I said beautiful a lady as you

Beautiful as stars when they're lit by the moon
I said beautiful a lady as you
Beautiful as baby when it's fresh from a womb
I said beautiful a lady as you
