DRAM

Respectfully
It's not that deep
Respectfully
I want to be right underneath your clothes
And when you get next to me
And get to caressing me
Baby it's clear to see
Respectfully
We both know what we want

It's an understatement
When I tell you that you sexy
Yea it sound good
But I show you if you let me

Unzip your zipper
Unbutton your blouse
Lay your ass down
And turn this shit out

And if I only came over to fuck you
Would say I'm wrong
Or would you leave me lone
If I don't play along
I'm your contestant if the game is right
And if I get a prize
At the end of night

I don't wanna give the wrong impression
I just wanna give you all the blessings
Will I bless it? No question

Respectfully
Baby you know what I want
It's not deep
Call me Shelley if you want
Respectfully
I want to be
Right underneath your clothes
And when you get next to me
And get to caressing me
Baby it's clear to see
Respectfully
We both know what we want

I keep having visions
When we did that one position
With my leg up
Holding your face down
While I'm hitting it
If we stand up
I won't slip out
I'm still getting it
Call your man's up
Tell him you found a bigger and better nigga

Matter fact just chill because you gon disrespect a nigga

But if that's how you feel you just keeping it real with him
And I can not complain
Either way cause we still fucking
I can fuck you good all day and have a quickie you still cuming
I say some corny shit about McDonalds cause I'm loving it
Before you lay your body on the ground start scrubbing it
Before you put this pussy on me baby
Spit on it
You might just get hooked up on me baby
Like fentanyl
