

Chocolate Covered Strawberries

DRAM

Oh, oh-oh, oh, oh-oh, oh
I said

Honey
Sweet thang
Sending chocolate kisses your way
Send strawberries back to me
Chocolate covered strawberries, baby
Honey
Sweet thang
Sending chocolate kisses your way
Send strawberries back to me
Chocolate covered strawberries, baby

Now I know I haven't known you for that long
But these feelings that I feel are very strong
So can we keep on keeping in touch?
'Cause I can't get enough
Next time we link up
I'll do all the things that you want and you need
Everything you want, it shall be done

'Cause you do it for me
In each and every way
I'll prove it to you
If you come and stay the night with me

Honey
Sweet thang
Sending chocolate kisses your way (Your way)
Send strawberries back to me
Chocolate covered strawberries, baby
Honey (Honey)
Sweet thang (Ooh-ooh)
Sending chocolate kisses your way
Send strawberries back to me
Chocolate covered strawberries, baby

Mm
Open your heart
I'll walk through the door
And show you some things you've never felt before
And after we're done
We'll do it some more
In the bed, on the couch and the floor

'Cause you do it for me, girl
In each and every way
I'll prove it to you
If you come and stay the night with me, yeah

Honey
Sweet thang
Sending chocolate kisses your way
Send strawberries back to me
Chocolate covered strawberries, baby
Honey

Sweet thang
Sending chocolate kisses your way
Send strawberries back to me
Chocolate covered strawberries, baby

Ooh-ooh, ooh-ooh
Ooh-ooh, ooh-ooh
Ooh-ooh, ooh-ooh
Ooh-ooh, ooh-ooh
