

Cooking With Grease

DRAM

It's got you dotting your "I"s
And crossing your "T"s
It's got you cleaning your dirt
Before it gets back to me
It's got you dotting your "I"s
And crossing your "T"s
It's got you cleaning your dirt
Before it gets back to me

Just when you need some love
Just when you need some love
Just when you need some love
Just when you need some love
Just when you need some love
Just when you need some love
Just when you need some love
When you're in need

I feel used and abused
So I started doing it too
But I never did it to you (Oh no, oh no)
So why you do it to me, baby?
Sounds so stupid to me
Ain't it funny how you couldn't be alone? (Alone)
It's got you dotting your "I"s
And crossing your "T"s
It's got you cleaning your dirt
Before it gets back to me

Just when you need some love
Just when you need some love
Just when you need some love
Just when you need some love
Just when you need some love
Just when you need some love
Just when you need some love
When you're in need

So the way I give good loving
Makes me proud of myself
And I can't be good for nothing
Baby I doubt it myself
Hot sex out of the oven
Baby, we're cooking with grease
And next time you need a lil' something, girl
Start looking for me

It's got you dotting your "I"s
And crossing your "T"s
It's got you cleaning your dirt
Before it gets back to me
It's got you dotting your "I"s
And crossing your "T"s
It's got you cleaning your dirt
Before it gets back to me

Just when you need some love

Just when you need some love
Just when you need some love
Just when you need some love
Just when you need some love
Just when you need some love
Just when you need some love
When you're in need
