

Feel Good

DRAM

Sure as one and one'll get you two
I'm all yours, nothing's new
Sure as roses red and violets blue
All my love is fully bloomed
I used to pluck the daisy wheels
Askin' if she love me not or if she will (Would you love me still?)
It was never even a question and I'll tell you why (Why?)
'Cause you told me I was the best thing that you ever tried

When you rub my chest, it feel good
When I kiss your neck, it feel good
When you touch me here, it feel good
When I touch you there, it feel good
When you turn me on, it feel good
When I make you scream, it feel good
When you're lovin' me, it feel good, it make me say

Oh-oh-oh-oh
Oh-oh-oh-oh (Make me, make me feel good)
Oh-oh-oh-oh
Oh-oh-oh-oh (Make you, make you feel good)
Oh-oh-oh-oh (Yeah, yeah)
Oh-oh-oh-oh (Let's make each other feel good)
Oh-oh-oh-oh
Oh-oh-oh-oh (Let's make each other feel good)

I must admit that you's a nasty girl
It's Mr. Nasty, time for me to rock your world
I like to kiss you like they do in France
On both sets of your lips 'cause I'm your only man, your only man
I used to dance the night away
Now I wake up every day to your pretty face
My bed went from Venus to Mars, we shine bright like the stars
When we do what we do in our bed in the dark

When you rub my chest, it feel good
When I kiss your neck, it feel good
When you touch me here, it feel good
When I touch you there, it feel good
When you turn me on, it feel good
When I make you scream, it feel good
When you're lovin' me, it feel good, it make me say

Oh-oh-oh-oh
Oh-oh-oh-oh (Make me, make me feel good)
Oh-oh-oh-oh
Oh-oh-oh-oh (Make you, make you feel good)
Oh-oh-oh-oh (Yeah, yeah)
Oh-oh-oh-oh (Let's make each other feel good)
Oh-oh-oh-oh
Oh-oh-oh-oh (Let's make each other feel good)
Oh-oh-oh-oh
Oh-oh-oh-oh (Make me, make me feel good)
Oh-oh-oh-oh
Oh-oh-oh-oh (Make you, make you feel good)
Oh-oh-oh-oh (Yeah, yeah)
Oh-oh-oh-oh (Let's make each other feel good)

Oh-oh-oh-oh

Oh-oh-oh-oh (Let's make each other feel good)
