Ooh  
Ooh  
Ooh-ooh-ooh-ooh  
Ooh-ooh-ooh

I don't want you to go  
Anywhere, everywhere, don't you dare, I don't care  
How mad I make you, girl, I'll make it up to you  
Tastin' you, touchin' you, lovin' you from head to toe  
And I don't want you to go  
Anywhere out of my sight, still on my mind, I'm thinkin' 'bout  
All of the ways you've been lovin' me  
Keepin' me company comfortably inside your arms

You're still my valentine, you're still my crush  
You're still my freaky girl, can't get enough  
Of that mac and cheese action, can I get a scoop?  
All it takes is a couple bites to get in the mood  
And since you've moved in with me, it feels just like home  
Way better than the nights alone fallin' 'sleep on the phone  
Hard to compensate 'cause I'm used to layin' down with somebody for my body's sake  
It wasn't even even love, I wasn't tryna wait, I really need that hug

But as luck would have it  
I been fell in love  
Real deep in love  
Now I can't be without ya

I don't want you to go  
Anywhere, everywhere, don't you dare, I don't care  
How mad I make you, girl, I'll make it up to you  
Tastin' you, touchin' you, lovin' you from head to toe  
And I don't want you to go  
Anywhere out of my sight, still on my mind, I'm thinkin' 'bout  
All of the ways you've been lovin' me  
Keepin' me company comfortably inside your arms

Yeah  
You know, when I look back  
You're the only one that I  
I could really  
Tell that you actually love me for  
For me, you know? And  
You never really came with your hand out, and  
Really came to help out, and you  
And you loved me for real, so  
How could I not fall for you?

But as luck would have it  
I been fell in love  
So deep in love  
That I just can't get enough

I don't want you to go  
Anywhere, everywhere, don't you dare, I don't care  
How mad I make you, girl, I'll make it up to you

Tastin' you, touchin' you, lovin' you from head to toe  
And I don't want you to go  
Anywhere out of my sight, still on my mind, I'm thinkin' 'bout  
All of the ways you've been lovin' me  
Keepin' me company comfortably inside your arms
